

# The Myriad Conditions Cultivation and Repentance Service for the 2025 FGS Chicago Buddhist Temple Expansion Project

Auspicious Greetings to all Dharma Protectors!

Since its establishment, the Fo Guang Shan Chicago Buddhist Temple has upheld the great vow of Venerable Master Hsing Yun, Founding Master of Fo Guang Shan: “May the Buddha's light shine universally on the Three Thousand Realms; Let the Dharma stream flow across all Five Continents.” With this aspiration, the Temple has fully dedicated itself to promoting culture, education, charity, and the propagation of the Dharma for the benefit of all beings—striving always to live up to the blessings of the Triple Gem, the support of the Dharma protectors, and to spread the Buddha’s teachings throughout the world.

During the fundraising period of the Temple expansion project, the Temple will conduct the “Myriad Conditions Cultivation and Repentance Service,” in which the assembly will diligently recite the **Great Perfection Cundī Mantra** to pray for the success of the Temple’s expansion project.

By gathering the collective efforts and the power of joint cultivation, the assembly will accomplish this meritorious Dharma event. The merits from the service will be dedicated to the benefactors of the expansion project, wishing them in blessings and wisdom, peace and harmony for their entire family. All are welcome to partake in the Dharma benefits—boundless merit awaits!

With this, we extend our heartfelt wishes:

***Keep Going, the Future is Bright***
